## May 2026

April has finally brought the sunshine with it and what a difference it has made. More people are popping in to see us and signing up for our newsletter. We tend to work in the studio when we have a day off from workshops, so if you popped by you would probably find us working hard on our own personnel projects

We are keeping to our workshop format and will now be trying to keep the same sessions on the same days.

Monday - Drawing group

Wed - Life drawing (portrait and figure)

Thursday - Acrylics

Friday - Oils

Saturday 2nd will be the first abstracts in acrylics which if this proves popular we will add onto the schedule

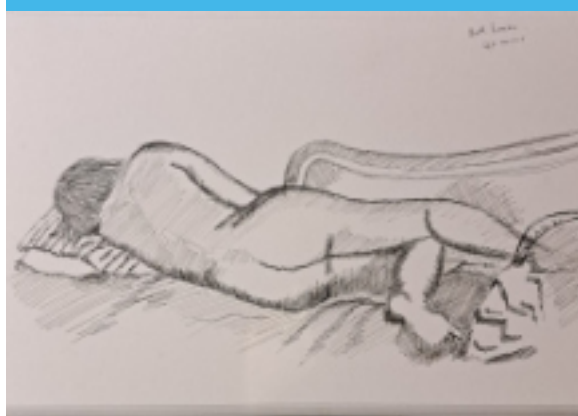

### A NEW HOME

ONE OF THE NICEST PARTS OF BEING AN ARTIST IS WHEN SOMEBODY FALLS IN LOVE WITH SOMETHING THAT YOU HAVE CREATED FROM YOUR HEART. THIS IS SUCH A HUMBLING EXPERIENCE AND THAT IS WHAT KEEPS US GOING

THE GORGEOUS BECKS FROM KRAKEN DÉCOR FELL IN LOVE WITH THIS PAINTING AND ON MONDAY SHE POPPED IN TO SEE US AND TO TAKE HER PAINTING TO IT'S NEW HOME

THANKS BECKS!!
